Subject: Meeting on 10/23

Hello Adam:

It was good to connect with you. And I look forward to meeting with you and Mr. Elsworth from the American Exploration and Mining Association. As we discussed, if there are specific topics (e.g., Rosemont) beyond good Samaritan approaches to abandoned mine cleanup, please provide those. It will help inform the scope of the participants from EPA.

Look forward to hearing from you.

Best Regards

Enrique Manzanilla
